Introduction

The last few months have brought many changes for Freeland High Students. Many awake at 5:00 A.M. to prepare for school, and the school is alive by 6:55 with students. We have entered half-day sessions due to overcrowding. This has also been a year of firsts in other ways for students. We stood outside for twenty minutes while faculty and police searched for a non-existent bomb. We are feeling the pinch of rising gasoline prices, the threats of gas rationing and the resignation of Vice President Spiro Agnew.

Many of the traditions have been carried through to our shorter day. The Cheerleaders cheer, the band marches, the teams strive for that winning point and in the spring the Seniors don caps and gowns and cross the stage to receive their diplomas. In the next one hundred or so pages the staff of the yearbook has attempted to capture the memories this year. This too is TRADITION!

4.

This year started out with a big surprise for Jan Thurlow when she was selected as queen for the 1973 Homecoming. Kick-off was held on Sept. 22 with Neil Bremer and Bruce Lutz as D.J's. In the queen's dance, Jan and her court danced to the song "If a Picture Paints a Thousand Words, Then Why Can't I Paint You." Gene Sumption was the M.C.

The Game of the Year!!

The annual powder puff game was won with a surprising upset by the Senior girls. They whomped the Juniors by a score of 32 to 8.

There were good comments after the hard fought game. Many coaches believed that some of the girls were as good as the varsity team.

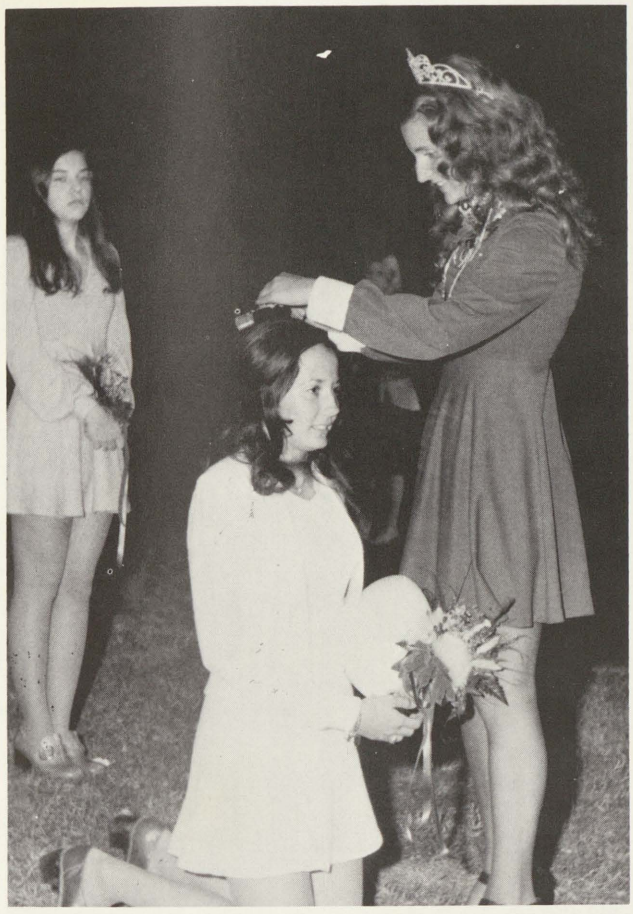
A Crowning Moment



Queen Jan receives her crown from last year's queen, Phyllis Cooper.

The Homecoming game was Friday, October 5 and was highlighted by the crowning of our queen. The Falcons went on to a victory over the Breckenridge Huskies.

The dance was held Saturday night. Nostalgia was the theme with Magic providing the music.

Thrilling moments shared between Jan and Marcy.

They Capture the Memories of the Year

You would not believe the work and patience it takes to make a yearbook. This year's staff has had to cope with late and lost pictures, last minute deadlines, many late hours of work and a tough boss. They met on Thursday nights right up to the last deadline when they stayed every night. But through it all they put the book together and are very proud of it.

The Reporters That Make the Scene

The Falcon Press came out to the students once a month this year. It had a different form than other years. The main features were printing sports articles, club information, interviews with coaches, pep corner and the traditional Snoopy. Also there was always an editorial about some problem the staff saw in our school.

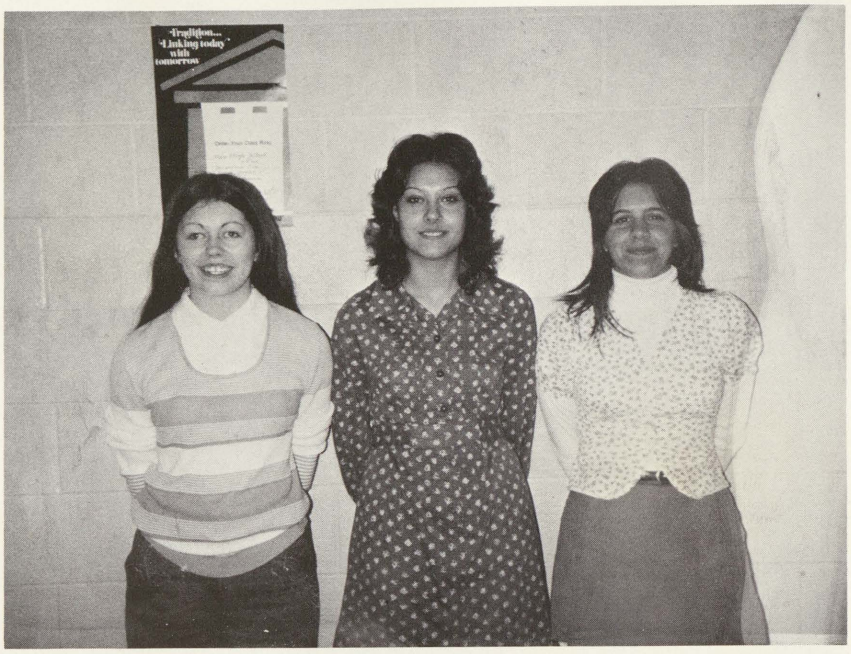
Quill and Scroll



Quill and Scroll is an award given to outstanding high school journalists. The qualifications for the award are as follows: one must be an upper classman, in the top 3rd of the class, and must be recommended by an advisor. Students are chosen every spring and have a chance for a scholarship.
L to R: M. Marolf, C. Rubier, J. Leaman.

The Do-gooders

Y-Teens is a service club that likes helping other people. This year they've had a donut sale and were involved in a paper recycling drive. Some of the money they've earned will help pay for a camping trip planned this spring. Carol Beamish is the president and Ellen Dewey is the vice president. Miss Marcy sponsors the club.

The number of team victories a cross-country team has doesn't indicate the individual successes achieved during a season. Many runners improved greatly from the first practice when they are required to run their first three miles. During the Delta C-D Meet Freeland placed eighth, at the Eisenhower Invitational at Imerman Park Freeland runners placed first, fourth, fifth, eighth, and twelfth (Lee Stimpson, Dan Halm, Gary Delaney, Joe Ballien, and Don Cox, respectively) but as a team we were defeated by Seminary by a score of 27 to 30.

Go Big Green!!!

The 1973 Football season was rewarding to our team and coaches. Much experience was gained by "The Group" and we're really proud of our hard working men!

Coach Curl was quoted as saying this year's team had one main weakness: it was a young team. We had few returning seniors, and so this "new" team knew it had a long way to go before it even had a chance to get started. In fact we had 8 juniors starting on defense and 9 on offense.

Indeed, our weakness this year will be our strong point next year; Freeland High is really looking forward to a great team in the seasons to come!

The Junior Varsity Football team had an excellent season which is proven by a 5-3 win-lose record. The team members practiced hard and together with the work of a great coaching staff, their efforts paid off!

A number of these strong players will be lost to Varsity next year, but another fine Junior Varsity team is in view.

J.V. Basketball

CAPTIONS: (Below) J.V. defense is super tough. (Right) Joe Ballien eyes the open man. (Bottom Right) Coach Jacobi discusses the strategy.

The J.V. basketball season started out like a long, winding road with our J.V. team losing in very close games. But at the halfway point of the season things started to happen. Joe Ballien's broken foot had healed, Tim Beuenfeldt broke Gene Sumption's scoring record with a 40 point game against Swan Valley; and the rest of the team really started to get it together. Mr. Jacobi was very patient with the J.V. team and our guys finally did their thing by putting together a string of victories at the season's end.

Freshman Players Gain Experience!

This year's Freshman Basketball Team's record is not especially impressive but the experience that they have gained will be a great asset in future years. The teamwork that we have seen through the season will help these "future-prospects" next year as J.V.'s. Coach Holelze's enthusiasm and spirit was a great morale builder!!

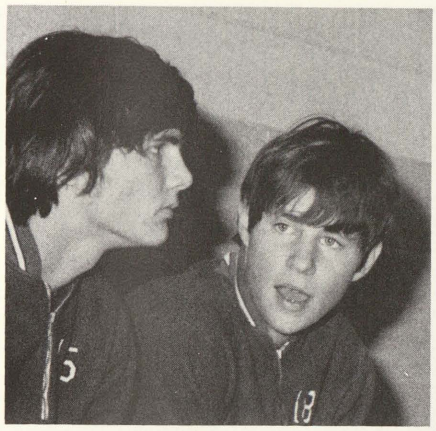
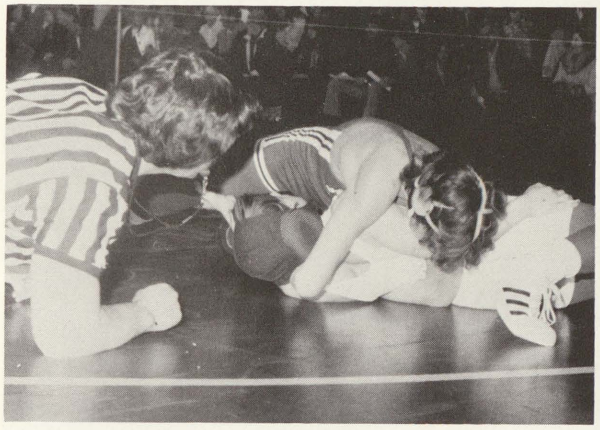
Rick Hayes gets a good foothold on things.



Rick H. concentrates on an upcoming match.



Tom Bremer prepares for the kill.

We have great reason to be proud of the 1973-74 Wrestling Team. As a whole there were set backs throughout the season for the wrestlers. The flu plagued our men as did one main repetitious event. This was the fact that at many meets, we simply did not have enough men to fulfill all of the qualifying weight classes. When a team finds itself forfeiting such matches; it also finds a lack of total points for that particular meet. This is partially the reason for the scores on various meets. Coach Curl stressed this point at more than one assembly.

There was great individual effort shown by all Freeland Falcon Wrestlers. Just a few outstanding wrestlers were: Fred Goslin, Tom Bremer, Rick Hayse, and Chris Potenberg.

We did have a young wrestling team in the 73-74 season; and can really see much potential working its way upward for coming years!!

WE CARE ABOUT PEOPLE

New traditions unfold each year at Freeland and old ones are kept in practice. This year many things have changed but despite these changes we as a student body have fought to retain our traditions. These heritages are what distinguish us from other schools and make us what we are. Time may alter circumstances but tradition is the back bone of our lives.

Victorian staff sincerely hopes that this year's book captures the tradition and memorable moments of 1973-74. The sentiment associated with heritage are difficult to express in pictures and copy but we've made a diligent attempt.
